Opis produktu

RAPTURE specializes in uncompromising Death/Thrash Misanthropy and extremity. Three years after the release of their acclaimed 2nd. album "Paroxysm of Hatred" (Memento Mori Rec.), "Malevolent Demise Incarnation" will be the most extreme and hatred-filled RAPTURE album to date. Expect nothing less than an overwhelming storm of disgusting and untamed aural horrorshow.

THE TIME HAS COME - ONWARDS TO TOTAL DEATH!

Recorded and mixed during July-August 2020 at Eleventh Tower Studios

Mastered during September 2020 at Ignite Studios

Produced by Haris Vougiatzis and Rapture

Cover artwork by Chaostouched
