Opis produktu

Razor have never cared much for variety or dynamics, and fans are all the better for it. Damn near every song unloads a gorefest of bludgeoning, hardcore tempos and riffs that sound like chainsaws hacking through bone. The Canadian thrash pioneers basically come off like a bunch of serial killers who chose to start a band." - Spin Magazine

RAZOR, Canada's legendary Thrash Metal icons return with the reissue of their classic 1984 debut EP, *Armed & Dangerous*, and the highly sought-after 2011 live album, *Live! Osaka Saikou* □□□, which is available in full for the very first time as a 2xLP! Witness one of Thrash Metal's most unrelenting bands, from their beginnings as an undeniable raw force, to a band harnessing the height of their powers on the live stage.
