### Opis produktu

Vault of Dried Bones offers the ultimate edition of The Black Famine compilation. In addition to the Recluse demo, the Frozen Blood demo and the new track Ropes, this release now includes two unreleased tracks - an intro and a cover of Vlad Tepes 'In Holocaust to the Natural Darkness'.

Previously containing a folded insert, the CD is now presented with a twelve page booklet. The compilation features most of the artwork from the CDr version seen on the Hooded in Oil release as well as expanded artwork and lyrics.
