### Opis produktu

**PŁYTA POWINNA BYĆ DOSTĘPNA OKOŁO 10 PAŹDZIERNIKA !!!**

While writing their upcoming album (due later this year), Remina ended up with three songs that no longer fit the album's themes as it began to take shape. Rather than let these songs become lost in the ether, these were gathered in a brand new ep, "Erebus".

Initially released digitally only in June 2024, the ep found a huge success and pushing us to offer the band a one-off only edition on vinyl and cd.
