Opis produktu

Sepulchral Voice, 12 page booklet, The Devil's most beloved tongue & tool release their third album. An album where REVEAL present themselves at their highest musical level, their most visionary yet also most grounded. With Scissorgod do REVEAL prove again that they give no fucks for uniforms, blinders, and the opinions of others; they simply collect and inhale the madness of the world and channel it into a pure outburst of DEATH ROCK
