Opis produktu

Red vinyl edition, limited to 1000 copies.

Massive box set with 4 LPs, one DVD, large 12" booklet, A4 booklet, A5 leaflet, three posters, flyers and hidden gems!

This is the final nail in the coffin of Reverend Bizarre and also the final part of Svart Records' long-standing mission to release the band's entire discography on vinyl. The vinyl box set contains both versions of the band's legendary demo Slice of Doom plus the promo tape the band did to get a deal for their first album In The Rectory.

Additional bonus is a live DVD of the band's very first live show at TVO in Turku, Finland on September 18th, 1999. Then there's replicas of three early gig posters, the rare True Doom manifesto by Earl of Void, a large booklet compiling all visual material and background info from these early years, a very rare promo booklet replica, flyers plus hidden gems.
