Opis produktu

Your patience will be rewarded.

Chile's Ripper returns with their first full-length since 2016's "Experiment of Existence".

"Towards Rebirth" contains the band's most violent work to date. Razor sharp guitar work, intense drumming and well-crafted songs are still there...only more concise, more vicious.

Dark Descent Records is honored to release the band's third album on July 24th, on CD/vinyl and digital formats. Devotees of early Sepultura, Kreator, Pestilence and Sadus will find a lot to like on "Towards Rebirth".

Recorded, mixed and mastered by Pablo Clares at DM6 Studio. Artwork by Paolo Girardi.
