Opis produktu

Risk is a German Thrash/Speed Metal band from Witten, and existed from 1987-1993. Known since 1967 as Faithful Breath, they decided to rename after changing their style from plain heavy metal to thrashy speed metal in 1986. The Reborn, Riks’s fourth album, was initially released in 1992. Artwork by Andreas Marschall (Blind Guardian Running Wild , HammerFall, Kreator). Featuring singer, vocalist and producer Heimi Mikus who produced besides all Risk album also Morgoth, Despair and Raven albums) and guitar player Romme Keymer (ex-Angel Dust). The sound of Risk is particularly hard, with a many-sided vocal work, slicy guitars and a careful work of musical production, that making this band one of the classics of the German Metal. New on guitars featuring Christian Sumser (ex-Rage). Co-produced by Detlef Mohrmann (Morgoth, Kreator, Raven).
