Opis produktu

"**ROCKY & THE SWEDEN** continue to fight for their freedom of smoking weed not only by “burning spirits” approach but by “burning buds” with the same spirit." -Maximum RockNRoll

Tokyo Hardcore legends **ROCKY & THE SWEDEN** celebrate 30 years of weed-fueld Rock N' Roll with their return and new full-length, ***Punks Pot Head***!

Decades up in smoke, and the band show no signs of slowing down; **ROCKY & THE SWEDEN** continue down their blazing path of fast, aggressive punk. Forever loyal to their green-motiff, tracks like the aptly titled "THC" and "Chain Smoke" burn with intensity; explosive drums detonate alongside scorching guitar leads.

2026 also sees the band revisiting their storied catalog, reissuing their classic 1998 debut ***TOTAL HARD CORE***, a special **EARLY YEARS Singles Collection 1997-1999**, and the revered sophomore album ***God Save the Green***!
