Opis produktu

With 12 studio albums, a dozen EPs, singles and split releases, as well as more than 1.250 shows under their belts so far, it is high time ROTTING CHRIST get a proper compilation spanning their 30+ years career. The 2-CD set 'Their Greatest Spells' takes a retrospective look at the cult Greek band's fascinating musical development by picking a select choice of key tracks covering the many facets of ROTTING CHRIST. With such a massive catalogue, a "best of" compilation will always lead to controversy about certain additions as well as omissions from the final list, but the involvement of frontman Sakis Tolis himself in this difficult task ensures that the result is at least relevant.
