Opis produktu

Running Wild’s classic album “Blazon Stone” as a deluxe Picture-LP (limited to 500 copies). Comes with an insert and an huge poster of the artwork!

After the classic “Death Or Glory”, Running Wild decided to speed things up without sacrificing the melody of their two previous albums.

The result was 1991’s “Blazon Stone”.
It became their best-selling album to date, probably due to the critical success of “Port Royal” and “Death Or Glory”.

Running Wild rarely gets the recognition it deserves.

What began as a band has become a focused force still burning with the spirit of its prime. Many creators change over time, and Running Wild is no exception.

Few in metal history have delivered so many powerful albums across nearly a decade, a
legacy that still commands respect.

• Originally released in 1991 and now seen as one of Running Wild’s best albums, by both fans and media alike
• Artwork by Andreas Marshall (a.o. Sodom, Kreator, Obituary, Blind Guardian)
• Top notch recording by Jan Nemec (a.o. Grave Digger, Helloween, Celtic Frost)
• Extremely limited edition of only 500 copies world wide
• Comes in a quality sleeve with lyrics and a nice A2 poster
• Reached #22 in the German album charts, staying in the charts for 14 weeks
• The year 2026 will bring the final Running Wild live show at Wacken Open Air!
