Opis produktu

German Heavy Metal legends Running Wild, led by enigmatic front man, Rock N'Rolf Kasparek, single handed invented the pirate metal genre with their 1987 breakthrough album, Under Jolly Roger. It's follow up 'Port Royal' and the subsequent 'Death Or Glory' only served to reinforce the Hamburg quartet in the hearts and minds of the global metal community. Their meteoric rise saw them perform in front of rabid crowds across Europe and both album tours were documented with the classic live album, 'Ready For Boarding' and a VHS video of a show from the Death Or Glory tour. Now these two have been combined to create an expanded edition of this seminal live album on double colour LP featuring the recordings from both.
