Japanese Blacking Metal legends SABBAT celebrate their 40th anniversary this year, and come to Europe with a series of unique shows. As they are being joined by the US Death Metal heroes GRUESOME, it's one of a kind celebration of all things METAL! Doomentia Records is proud to present the very limited vinyl split release, which includes special version of a new SABBAT song "Sabbaticult", and the rare MANTAS cover "Legion Of Doom" performed by GRUESOME!
