Opis produktu

Two pioneers of the Québec Black Metal scene, Athros (Brume d'Automne, Forteresse) and Monarque (Mo-narque , Forteresse) revisit the very early days of Black Metal on Sacrenoir's raging debut album. Falling in so-mewhere their respective bands and old Darkthrone and Gorgoroth, or even Bathory, Comme des Revenants Par-mi les Ruines is cold, raw, classic Black Metal, the likes of which has seldom been heard within the québé cois scene. For fans who will never get enough of that early 90s sound, this is an album you cannot afford to miss!
