Opis produktu

At long last, OSMOSE PRODUCTIONS reissues SADISTIK EXEKUTION's Fukk on vinyl LP format!
SADISTIK EXEKUTION need no introduction: for nearly two decades, these Aussie barbarians tortured eardrums worldwide with their unique ‘n' uncompromising sound, which minced together death metal, black metal, thrash, and grindcore into something quite legendary and, frankly, never seen since. Although they shuffled off this mortal coil in 2004, the discography they left behind speaks for itself and sounds fresher than ever.
Originally released in 2002, Fukk saw SADISTIK EXEKUTION plummeting headlong into a vast vortex of utter chaos and unrivalled violence. The recording itself was wielded like a weapon – inhumanly cold, almost mechanistic, but in the hands of these Australians, sounding like nothing else around. Fever severing their ties to sanity and reality was the towering closer, “The Final Exekution”: verily, the gates of Hell opening up and dragging the listener in on a post-apocalyptic conveyor belt, and the true nail in the coffin of the band being under-recognized avant-garde explorers.
SADISTIK EXEKUTION may be RIP, but their disgusting ghost continues to ruin your day with this reissue of Fukk!
