Opis produktu

SADISTIK EXEKUTION need no introduction: for nearly two decades, these Aussie barbarians tortured eardrums worldwide with their unique ‘n' uncompromising sound, which minced together death metal, black metal, thrash, and grindcore into something quite legendary and, frankly, never seen since. Although they shuffled off this mortal coil in 2004, the discography they left behind speaks for itself and sounds fresher than ever.

Reprint, galaxy grimace purple / black vinyl effect 12" (180g) in black poly-lined innerbag, gatefold full-color on 350g, all assembled in a PVC overbag.
