Producent	Season of Mist

Opis produktu

Remastered edition on CD with bonus track "Ashes" (previously unreleased demo). Comes in Digipack with 6-page folded booklet.

Expertly transitioning between atmospheric Black Metal, Celtic Folk, and traditional Scottish sounds – the wildly exploratory music of SAOR knows no limitations and seeks out every opportunity to expand on its potential. Second album 'Aura' was remastered and includes the previously unreleased demo "Ashes".

Track-List:

01. Children Of The Mist

02. Aura

03. The Awakening

04. Tombs

05. Farewell

06. Pillars Of The Earth

07. Ashes
