Since its inception in 2013, SAOR has continually evolved while remaining boldly faithful to its Scottish heritage. Forged by the vision of the band’s founder Andy Marshall, SAOR (meaning “free” in Scottish Gaelic) has a uniquely expressive approach that dives deep into lyrical themes based on literature, landscapes, history, sorrow, nature, and the majestic mountains of his homeland.
The physical reissue of the acclaimed debut album ‘Roots’ contains the rare bonus tracks "Pictish Pride" (Ainshval cover) and "Yearning" (previoulsy unreleased demo track).

For fans of PANOPTICON, WINTERFYLLETH, DRUDKH, UADA.
