Opis produktu

WEREWOLF RECORDS is proud to present SARAM’s *Lima Hell!* compilation on vinyl LP format. Comes in a gatefold cover with insert.

While originally formed in 1991 and existing under a couple different monikers prior, Peru's SARAM didn't officially commence unholy life until 1998 with the release of the *Sinners* demo. The band would languish in inactivity until 2004, when the pivotal *Metal Mayhem Genocide* demo was released. Aptly titled, *Metal Mayhem Genocide* displayed SARAM as reinvigorators of oldest-wave black metal: truly, classic South American madness time-warped from 1985. The reconstituted lineup no doubt helped; both vocalist Neyra and guitarist Noizer were reaping their own renown with Goat Semen and Anal Vomit, respectively. A year later came the 7" EP *Embrujo*, but sadly, that would be the band’s final public recording.

A cult band for cult maniacs, SARAM receive their due epitaph with the nine-song *...Lima Hell!* compilation, at long last finding vinyl release under the auspices of WEREWOLF. Totaling nine songs across 30 minutes, the comp includes the entirety of *Metal Mayhem Genocide*, the A-side of *Embrujo*, and two exclusive rehearsal tracks from 2005 never before recorded in the studio. Forever "From the Pits of Lima Hell"!
