### Opis produktu

In the 1980s, UK Legendary Heavy Metal band SATAN made three different demos which were distributed on cassette. The songs on each demo give the listener a broad indication of where the band was at both artistically and technically. It's still difficult to describe the incredibly immense response SATAN's debut album 'Court in Act' drew when it was released in 1983. It became an instant classic for the decades to come.
