"Despondency Chord Progressions", the aptly-titled and movingly dynamic third album from **SELBST**, finds the Latin American Black Metal band deepening, clarifying and confidently channelling the dark waters of their already elaborate sound.

Following the bludgeoning restlessness of DMP debut, 2020's **"Relatos De Angustia"**, the band here steps forward with a fully-fledged sense of purpose - balancing introspection and anger via beautifully flowing arrangements brimming with impassioned melodies.
