Opis produktu

I HATE have the honor to bring you this unmodern Brazilian Thrash/Speed Classic!

Originally released in 2009 – now finally available on vinyl for the first time! With the strong Brazilian 80s/early 90s Thrash tradition in mind, it is great to see the Flag kept high and intact!

SELVAGERIA self-titled debut album move around in the area of SLAYER “Show No Mercy”, ONSLAUGHT “The Force” and countrymen TAURUS “Signo de Taurus”.

SELVAGERIA doesn’t re-invent the wheel, which was never the purpose, but create a blend of raw and catchy UNMODERN Thrash/Speed few other new/old hordes have been capable of this side of the millennium!

A longtime favorite at the I HATE HQ – we are proud to finally hold this piece of wax in our (filthy) hands!

Thrash ‘til Death!
