Opis produktu

CD in jewel case with 12 page booklet.

'Ophidian Wheel', the third proper full-length from the Greek dark metal masters SEPTICFLESH, marks a critical turning point in the band's career.
On this album, SEPTICFLESH further expanded their musical vocabulary, and added female soprano vocalist Natalie Rassoulis.
'Ophidian Wheel' sees the band moving even further into the symphonic-laden and classically-tinged metal arrangements that have become their calling card.
'Ophidian Wheel' is the latest in Season of Mist's series of deluxe SEPTICFLESH reissues, and is now remastered and repackaged (by frontman Seth Siro Antoniou) to include three previously unreleased bonus tracks.

For fans of FLESHGOD APOCALYPSE, ROTTING CHRIST, BEHEMOTH, EX DEO, MOONSPELL.
Artwork by Seth Siro Anton.
