“From Beyond The Burial Mound” will be released via Soulseller Records on February 25th 2022 on CD, LP and digitally. It was recorded by the band members themselves, mixed and mastered by Gorka Pérez and features a cover art by Jaime P.S..

Hailing from the Basque country of Spain, the wretched entity called SEPULCHRAL crawled out of the coffin in 2016. Main composer Dusk gathered some ghouls to deliver an unrelentless form of putrid metal of death in the form of 2 demos and one EP. Now, SEPULCHRAL arise from the tomb with their first full-length, packed with catchy, putrid, crusty death metal that will make you jump from your coffin!
