Opis produktu

NoEvDia proudly presents SERPENTES’ Desert Psalms, to be released on April 18.

Spewed forth by a collective of serpents from the scorching south and sulphurous north of the Old World, Desert Psalms is an act of defiance – an offering to the lawless, the unruly, and the bright star rising in the eastern dawn.
A descent beyond the pale. Across its seven abominations, Desert Psalms drags the listener into howling darkness, where transgression and purification are one.
This is black metal in its most primal and adversarial form: venomous, unrepentant, seared in the flames of desolation. Both scourge and scripture, Desert Psalms is a baptism in bile and blood, stripping away all pretense until nothing remains but raw nerve and burning truth.

Envisioned by A.Ara of Angrenost, Desert Psalms is now manifested with the contribution of Misþyrming members Dagur Gíslason and Magnús Skúlason, Erdsaf of Angrenost, and Ólöf Rún Benediktsdóttir of Svartþoka.
