Opis produktu

Sextrash is an integral part of the early Brazilian Heavy Metal subculture. Spawned from the same scene that delivered classic bands such as Sarcofago, Mutilator, Chakal, and Sepultura, Sextrash adds speed and debauchery to an already extreme musical environment. Sexual Carnage stands today as one of the biggest Brazilian Metal classics of all time. Greyhaze Records has now unearthed this essential release in a special digipak edition featuring bonus tracks and expanded artwork. For fans of Mayhem, Black Witchery, Sarcofago and Beherit.
