Opis produktu

SHADOW KNELL make their Relapse debut with their self-titled album! Featuring members of **POISON RUIN**, **SHADOW KNELL** is a mystical, mournful, and doom-laced synth fantasy that echoes from dungeons deep and forests eternal. **SHADOW KNELL**'s warped and woozy orchestral arrangements serve as the murky soundtrack to untenable evocations, obscure dreams of grim grandeur, faded memories of the sublime.

Release date: August 2, 2024
