Opis produktu

2021 LP repress with a completely different layout in gatefold cover.

One of the metal underground's best-kept secrets, Detroit scum-crew SHITFUCKER have finally delivered a full-length of filth after a prolific slew/spew of EPs and demos, under the fuck-off-tourists title of Suck Cocks in Hell. A power-trio in the grand tradition of early SODOM, VENOM, and MOTORHEAD, the three nuclear zombies of SHITFUCKER gnarl together ancient blackthrash and toxic hardcore-punk into a blown-out brew bubbling over with disease, degradation, and devil worship. Bow before apocalyptic witching metal of the highest order/odor : this is SHITFUCKER's Suck Cocks in Hell! Recommended for diehards of GISM, early SODOM, ABIGAIL, and early BATHORY.
