## Opis produktu

Classic and cult Dutch death metal album, originally released by Nuclear Blast in 1995. Cosmic Key Creations brings you the official 2022 repress in a deluxe edition on 180 gram vinyl, a special splatter coloured wax, reverseboard printed gatefold jacket, a double sided insert and remastered for vinyl.  
For the cover artwork of this repressing we made a deal directly with Wes Benscoter to work with his original painting to get the best quality possible.

Officially licensed from Nuclear Blast GmbH.
