### Opis produktu

"It's worth repeating that there's also something majestic and grand about this three-song trip, something "epic" that arches over all of it, a dimension of the experience that pulls you well out of yourself, beyond the soundscapes that are bleak, blasted, and hostile. It proves again that Sinmara are a force to be reckoned with."

Three brand new outstanding tracks of Icelandic Black Metal!

Tracklist:

1. Within the Weaves of Infinity
2. Ormstunga
3. Nine Halls
