Opis produktu

Skaphos is a French Abyssal Death Metal band formed in 2018 and signed to Transcending Obscurity Records.

The band has released three albums : Bathyscaphe (2020), Thooï (2022) and Cult of Uzura (2025), merging the eerie dissonances of Black Metal with the sheer heaviness of Death Metal.

« Skaphos is the perfect candidate to combine Black and Death Metal in a very violent way » – Acta Infernalis

Renowned for their harrowing, ritualistic live shows, Skaphos has performed in over 20 countries, touring across Europe and Asia with legendary acts such as I Am Morbid, Vader, Marduk, Suffocation, Belphegor, Batushka and Vomitory.

« Skaphos managed to make it a hell of a performance, with brutal riffs, menacing rhythms, the French definitely created an astonishing atmosphere » – Antichristmagazine.com

Their abyssal universe extends beyond the stage, with evocative music videos and the short film La Litanie des Flots (2022). They are currently working on a full-length film, Aurores Noires, scheduled for 2026.
