Opis produktu

US Death Metal veterans **SKINLESS** return with their pulverizing sixth studio offering, aptly titled *Savagery*. Recorded by Tom Case at Doomsday Bunker Studio in New York and by Dave Otero (Primitive Man, Cattle Decapitation, Cephalic Carnage) at Flatline Audio in Colorado. *Savagery* embodies ten slabs of rotting, aural remains across 37 minutes of titanic slams, untouchable grooves, mauling riffs and blood-thirsty, bestial growls. *Savagery* sees **SKINLESS** at the top of their game, more than 25 years into an untouchable reign of terror. Features stunningly sick cover art by renowned tattoo artist Jesse Levitt.
