Opis produktu

Danish Black Heavy Metallers Slaegt are one the most vital and exciting bands to come out of the Scandinavian Metal scene in recent years and their 4th album and Century Media debut "Goddess" showcases their most elaborated and accomplished work to date: 6 songs / 40 minutes of atmospherical musical darkness in high energy execution. The album was recorded and mixed by Martin 'Konie' Ehrencrona (Refused, In Solitude, Viagra Boys, Tribulation) at Studio Cobra as well as mastered by Magnus Lindberg (The Hellacopters, Cult of Luna, Dool) at Redmount Studios, both in Stockholm, Sweden. "Goddess" features stunning artwork by Dávid Glomba (Svartidaudi, Cult Of Fire, Malokarpatan) and is available as Ltd. CD Digipak, Gatefold LP on 180g vinyl with Poster and as Digital Album.
