Opis produktu

PURITY THROUGH FIRE is proud to present the striking debut album of Germany's SLAGMARK, *Purging Sacred Soils*, on CD, A5 digipak, vinyl LP, and cassette tape formats.

Although a brand-new entity, SLAGMARK feature members of SARKRISTA and TOTENWACHE. As such, the brand play pure and proud BLACK METAL of the old 'n' cold variety. Trace elements of classic Finnish-style black metal run rampant across *Purging Sacred Soils* - a cryogenic fire, steeped in filth and fury as it is hateful - which is not surprising given the SARKRISTA connection, they a band of transplanted Finns. Indeed, SLAGMARK add new fuel to the fire that stokes the classic Finnish/German alliance, tearing through six songs in a swift half-hour of raw 'n' righteous splendor. Familiar it may be, but "returning to misery and comfort," as Sargeist once put it, is a quintessentially black metal activity...

Nasty melodicism, dangerous execution, a total disregard for modernity and "progression"...begin *Purging Sacred Soils* with SLAGMARK!
