Opis produktu

Finnish death metal masters are back!! SLUGATHOR worships at the altar of the heaviest death metal bands of yore but, impressively, has transformed from a "me too" old school death metal band at their beginning into a rumbling juggernaut of creative inspiration. What they are out to do is to write some crushing death metal, and that is where they definitely succeed. New album "Crypt of Ancient Fire" is now available in CD including an 8 pages booklet. 2022 Drakkar Productions release
