Steamhammer/ SPV, CD digipack

Sodom returns with 'The Arsonist', their first full-length album since 2020. It's not only the complex production process that testifies to the band's exceptional creative spirit, but also their diverse songwriting, which saw all four Sodom musicians – Tom Angelripper (vocals, bass), Frank Blackfire (guitar), York Segatz (guitar) and Toni Merkel (drums) – involved in the development of the material on 'The Arsonist'. The mastering was done by the famous sound engineer Eroc and the cover artwork with its martial design was penned by the exceptional Polish artist Zbigniew M. Bielak (Ghost, Mayhem, among others).
