Opis produktu

Black 12" double vinyl (33rpm) in printed sturdy inner sleeves in deluxe gatefold sleeve with soft touch matt laminate.
First pressing 950 copies worldwide.

Highly regarded as one of Sólstafir's seminal albums, 'Köld' is the deeply emotional third album from the Icelandic post metal legends.
The 2008 record picked up where 'Masterpiece of Bitterness' left off and saw the band fully realise their sound and identity.
To this day, the record still holds up for its mournful beauty. The record is now once again available on vinyl format!

For fans of ENSLAVED, BARONESS, MASTODON, AGALLOCH, LONGDISTANCECALLING, PRIMORDIAL.
Front Cover Photograph By Guðmundur Oli Pálmason.

Tracklist:
Side A: 78 Days in the Desert / Köld
Side B: Pale Rider / She Destroys Again
Side C: Necrologue / World Void of Souls
Side D: Love Is the Devil (And I Am in love) / Goddess of the Ages
