Opis produktu

Double CD in Jewel case with 12-page booklet.

SÓLSTAFIR have come a long way from an obscure Black Metal band out of Reykjavik, Iceland to a musically mindboggling and unique mixture of dark Metal, psychedelic passions and an eerily rocking groove – beloved and praised by critics and fans alike.
This band’s journey started in the year 1994 and continuously meandered into something that their many die hard adherents describe as ‘extremely cool’ and ‘different’, now the quartet’s burgeoning creativity has been bubbling up like a hot geyser unleashing their breathtaking double album “Svartir Sandar”, which takes the metamorphosis of these individualists close to perfection.
This eagerly awaited masterpiece comes with a red hot passion like glowing magma and emotionality as stormy as the Northern Atlantic. Ride this volcano with Iceland’s gnarled and twisted cowboys of Rock and Metal!

For fans of ENSLAVED, AMON AMARTH, ELUVEITIE.
