Québec

Alongside Moribond's Serment, we will also launch the first album of a new project from another veteran of the Québec scène, namely Exu from Hak-ed Damm. With Alpha Ursae Minoris, Exu lays the foundation of a more melancholic and contemplative breed of Black Metal, a bit closer to what is typically done in Québec, but still very much based on riffs and tempo changes. A first album that fans of melodic and powerful Black Metal will definitely not want to miss!
