### Opis produktu

**POZYCJA POWINNA BYĆ DOSTĘPNA OKOŁO 10 KWIETNIA !!!**

SONS OF HADES was created in 2023 by Apostolis K. (Guitars/Vocals) [DEMOLITION TRAIN/ WINTER ETERNAL/ CHAINSAW/ NIGHTBREED].

Inspired by old-school Black Metal and Heavy Metal Gods, they tried to combine the dark guitar riffing and melodies of **MERCYFUL FATE** and **KING DIAMOND**, the destructive energy of (early) **BATHORY** and **VENOM**, the heaviness of **CELTIC FROST** and **DEATH** and the miserable atmosphere of Black Metal legends such as **MAYHEM**, **IMMORTAL**, **EMPEROR**, **SATYRICON** etc.

Vasilis K. (Guitars) [DEMOLITION TRAIN] and Alex G. (Bass) [NIGHTBREED] joined Apostolis K. and the band's first line-up was a fact.

By 2024, the composition of the songs for the first full-length album was completed. Mixing different kinds of metal music styles, the result was sick. Is it Black Metal? Yes. Is it Heavy Metal? Yes. Is it dark and morbid? Yes. Is it aggressive? Yes. Is it melodic? Yes.

Vangelis F. [SACRAL RAGE/ NECROVOROUS/ CHAINSAW/ ex-EMBRACE OF THORNS/ ex-RESURGENCY/ ex-WINTER ETERNAL] joined the legions of SONS OF HADES to fill the drummer position.

By 2025, SONS OF HADES' first full-length album "Tombs of the Blind Dead" was recorded, mixed, mastered, and ready to be unleashed upon the world...
