Opis produktu

Sordide comes from the wet gutters of Rouen, Normandy. Since the release of its debut album through Avantgarde, back in 2014, the trio has been spitting a scornful and desperate anger in Moliere’s language under the motto NEITHER NAME, NOR FLAG.
Since then, the band has multiplied albums culminating with the release of “Les idées blanche”, in 2021, and played throughout Europe and at Roadburn and Hellfest festivals. After travelling to Iceland and Finland, Sordide will release its fifth full-length, “Ainsi finit le jour”, on October 25th, 2024, through Les Acteurs de l'ombre, and its own collective, La Harelle. To present this abrasive opus, Sordide will tour in France, Switzerland and Belgium in October 2024, and in Europe in February 2025.
