After three years and Ten Thousand Hells... SPIRIT POSSESSION unleash their third Full Length album Cathedral Speech to be released on Oct 2.
Seven attacking labyrinths of far venturing Black Heavy Metal, with all spires pointed down.
Where 2023’s Of the Sign... held a knifelike gaze into more erratic, adventurous hymns, Cathedral Speech sees SPIRIT POSSESSION awaken their most piercing, deranged, and narratively epic form yet. Spiraling guitar storms and explosive drum batterings channel first wave Black/Death assaults in the same breath as expansive ‘70s composition.
With Four steps into madness followed by a side long suite - These are vicious electric chants as towering as they are blasphemous.

Featuring S. Peacock (Black Curse / Ulthar / Mastery) on Strings and Vocals, and A. Spungin (Ormus) on Drums and Handmade Synthesizers.Recorded in the depths of the S•P Dungeon / and studio mixed at The New Menegroth, The Thousand Caves.
