Opis produktu

CD in deluxe Digipak with 16-page booklet.

From death comes rebirth, as is such with STRIGOI.
Formed in the ashes of VALLENFYRE by guitarist/vocalist Gregor Mackintosh (PARADISE LOST) and bassist Chris Casket, the experimental death metal formation is now unleashing their sophomore effort: ‘Viscera’.
This devastating brand of death metal pulls sludge and crust elements while lyrically, the album explores themes of both real and conceptual horror, coalescing into what can only be described as the ultimate mixtape of misery.

For fans of TRIPTYKON, INTER ARMA, WITHERED, VALLENFYRE.
Album artwork by Brian Sheehan at Legerdemain Art.
