Opis produktu

Jewel Case

Highly influential death metal legends Suffocation return with Souls to Deny, their first full length album in nearly a decade. Masterfully controlled yet frighteningly intense, Souls to Deny is a truly devastating display of technical death metal. Maniacally complex lead and rhythm guitar acrobatics intermix with dizzyingly proficient drum work, creating complex, savage riff collages. Often copied but never duplicated, Suffocation remains at once intricately technical and immaculately heavy!
