Opis produktu

The ever-thriving Bosnian Black Metal Underground hereby spawns a new dreaded entity, an enigmatic ensemble named Suša. An imposing veil of sheer darkness is evident through “Velike Zvijeri”’s very first seconds. Suša’s sonic emanations are carved with an oppressive and truly cryptic essence, a sound erected through an almost neurotic guitar work, genuinely haunting riffs that thrive aside a disturbing, dramatic and definitively charismatic vocal performance. “Velike Zvijeri” is a complex work yet with an impulsive and quasi-instinctive aura, heavily solemn and dissonant, seemly on the verge of madness. The tension is palpable across the whole record with its terrifying opus found on the whole side B, a close to 20-minute tome of supreme Black Metal mastery, a turmoil of shivering raw emotions, a truly epic assembly of brilliance.
Enter the black void, a soul-drenching abyss, merciless and everlasting…
