Terratur Possessions takes great pride in always presenting pure Will, Devotion and Integrity through the art form known as Black Metal, this time, with a new formation hereby known as SYN!

With the passion of old ULVER and FORGOTTEN WOODS, the atmospheres of VEMOD, the aggression of ASKEREGN; here comes SYN to remind you of what Black Metal once was. This take me back to the early to mid 90ies Black Metal, when the genre reeked of fervor and vehemence.

We see no need to unveil who’s who in this project, simply let the darkness compel you and the voices possess you!

Hail the old ways!

Cover art by Theodor Kittelsen.
