Opis produktu

4-panel Digipak on matte stock, inside prints and including digital album download.

On "Vom Bruch bis zur Freiheit", the band showcases a keen understanding of what has become their very own distinct sonic palette, while allowing for alterations in performance and presentation to further enrich their sound. Musically, Tardigrada demonstrates a strong sense for composition, allowing melodies carried primarily by a dense wall of soaring guitars to develop and envelop listeners in a deep, ever flowing stream of broad sound.
