Opis produktu

Hailing from New Jersey and formed in early 2020, **Tempter’s Sacrament** are a band seemingly custom-made for the barbed-wire sensibilities of **Invictus**. The band are a duo of Hades Tempter – guitar, bass, and vocals, as well as all songwriting – and Infernal Deceiver – drums and effects, and a member of Nihil Verum Nisi Mors collective – and together, they’ve erected a neutron hammer of scuzzy black/death METAL. No quarter, no compromise, **Tempter’s Sacrament** stand for merciless defiance in the face of weakening/weekend “metal” shat out in the social media era.

The duo made their recorded debut with the demo *Putrid Triumph* last fall, and now return a year later with the longer and stronger *Temptation Steel Scourge*. Indeed, *Temptation Steel Scourge* is fucking perfectly titled, as **Tempter’s Sacrament** reap the whirlwind of the old gods and smite those who’d dilute the essence of true, ancient death metal and its blacker variant. Mind-melted solos fly fast and free, battery bends and bruises at insane speeds, vokills summoned from sulfurous pits, and absolute RIFFS scythe and slice with cruel precision – there’s no escaping this *Temptation Steel Scourge*!

References to be made include **Invictus** alumni like **Vomitor**, **Apocalypse Command**, **Slutvomit**, and **Beastiality** as well as the almighty **Slaughter Lord**, but with a full-length already in the works, **Tempter’s Sacrament** are well on their way in asserting a Christ-crushing identity all their own. In the meantime, beware the *Temptation Steel Scourge*!
