Opis produktu

Seven years since the first revelation hit the globe and the culminating result of a commitment that lasted four years after the release of the latest EP, TERRÖRHAMMER represents “Gateways to Hades” a sophomore return to the bestial sounds of dark underground!
Mastered in its own brand of necro speed metal, the second album marks the first release done without any session members and this time around, TERRÖRHAMMER go further in reaffirming the sound they've been known for the past twelve years.
Set to be released on November 25th, 2022 by the legendary Osmose Productions, the Hammer is ready more than ever to crush the bars and return to the world in terror!

298x black 12" (140g) in a microthene innerbag, printed innersleeve, full-color on 220g; download card; jacket, full-color with black flood inside printed on 350g, all assembled in a plastic overbag.
