Re-release of the third full-length album by the American grindcore legends!

True to the American interpretation of Grindcore Terrorizer amalgamate the most forceful elements of Death and Thrash into a true juggernaut of Metal. Since their famed debut “World Downfall” (1989), this beast has been driven by the relentless and precise pounding of Pete Sandoval (Morbid Angel), who delivers yet another jaw-dropping barrage. Fans will be delighted to see Morbid Angel frontman David Vincent once more returning to play bass on this album. They will also be glad to hear that excellent singer Wolf aka Anthony Rezhawk (Resistant Culture), who already refined the highly acclaimed second album “Darker Days Ahead” (2006) is again adding his resonant and fierce growls as well. The new line-up is completed by Katina Culture (Resistant Culture), who is replacing the sadly late Jesse Pintado (August 28th, 2006) on guitar.
